1. We do all that is possible to determine the accurate levels and conditions of older wines. Nevertheless, these levels may change between cataloguing and sale. This may be due to the aging of the cork or to changing temperatures during storage or transport.
2. The risk of cork seepage or failure in old bottles, or damage of the waxed or enamel capsules is always a possibility, especially during transport. The potential bidder should take this risk into account.
3. Original wooden cases above 500 Euro are shipped separately from the bottles. We ship those bottles in wooden cases only on demand and at the risk of the bidder.
4. Munich Wine Company is not responsible for any losses or claims resulting from the risks and conditions mentioned in passages 1 through 3.
5. There will be no price negotiations or returns of purchased items after the delivery has been made. Nor will we provide any substitutes in case of breakage or error in description.
6. Stained labels may appear when the wines were stored under conditions of high humidity. It should be mentioned that this treatment is generally beneficial to the quality of the wine.
7. The pictures in the auction catalog serve decorative purposes and are not exact photos of any single lot. The original lot pictures can be seen in our online catalog:

2. Die Ersteigerer von Weinen sollten bedenken, dass Korken nachgeben oder versagen können, Wachs- und Lackkapseln beschädigt werden können. Dies kann insbesondere beim Versand älterer Provenienzen eintreten.
3. Originalholzkisten ab 500 EURO werden aus versicherungstechnischen Gründen separat vom Inhalt versendet. Nur auf Wunsch und Risiko des Ersteigerers ist ein Versand im Originalgebinde möglich.
4. Für Schäden, die durch die in Punkt 1 bis 3 aufgeführten Risiken entstehen, übernimmt die Munich Wine Company keinerlei Haftung.
5. Preisabschläge oder Rücknahmen der ersteigerten Ware sind nach Auslieferung ausgeschlossen. Eine Ersatzlieferung im Falle von Transportschäden oder versehentlich falschen Katalogangaben kann nicht geleistet werden.
6. Eine feuchte Lagerung kann Verunreinigungen auf den Wein-etiketten hinterlassen. Es ist anzumerken, dass eine feuchte Aufbewahrung der Qualität des Weins zuträglich ist.
7. Die Abbildungen im Auktionskatalog sind Themen bezogene Dekorationsbilder, die nicht den angebotenen Lots entsprechen. Die den Lots zugehörigen Originalabbildungen finden Sie in unserem Online-Katalog:

BORDEAUX

HF = high fill:

Normal level, height of young wines, or the level of bottles of older vintages recorked at the château.

Normales Füllniveau. Niveau eines jungen Weines oder auch älterer Jahrgänge, soweit diese auf dem Weingut rekonditioniert und neuverkorkt wurden.

IN = into neck:

Perfectly good for any age of wine. Outstanding for a wine of ten years of age or older.

Perfekt für Weine jeden Alters. Aussergewöhnlich für Weine, die zehn Jahre oder älter sind.

BON = base of neck:

good for any age of wine. Perfect for any wine of ten years of age or older.

Gut für Weine jeden Alters. Perfekt für Weine, die zehn Jahre oder älter sind.

VTS = very top shoulder:

acceptable for any wine over 15 years of age. Akzeptabel bei Weinen, die älter als 15 Jahre sind.

TS = top shoulder:

Acceptable for any red Bordeaux 20 years of age. Akzeptabel bei roten Bordeaux, die 20 Jahre alt sind.

HS = high shoulder:

Slight natural loss through the cork and/or evaporation through cork and capsule. Acceptable for any wine over 20 years old. Good for any wine over 40 years old.

Leichter natürlicher Schwund, bei Weinverlust durch den Korken und/oder durch Verdunstung durch Korken und Kapsel. Normal für Weine über 20 Jahre, gut für Weine über 40 Jahre.

MS = mid shoulder:

Not unusual for wines over 40 years of age. Most likely some deterioration of the cork and some risk. Auction limits take this into account.

Nicht ungewöhnlich für Weine, die über 40 Jahre alt sind. Höchstwahrscheinlich nachlassende Dichtigkeit des Korkens; ein kalkulierbares Risiko besteht. Durch das Auktionslimit berücksichtigt.

LMS = low-mid shoulder:

Risk. Auction's catalogue estimates will be low. Risiko. Niedriger Schätzwert im Auktionskatalog.

LS = low shoulder and below:

High risk and only accepted for the auction if the bottle or label is exceptionally rare or interesting. Always offered with a low limit.

Hohes Risiko. Derartige Flaschen werden für die Auktion nur angenommen, wenn die Flasche oder das Etikett aussergewöhnlich selten oder interessant ist. Das Limit liegt immer niedrig.

BURGUNDY

Due to the fact that Burgundy bottles have a very discrete shoulder, the ullage is measured in centimetres between the cork / capsule and the wine level. Burgundy wines are less affected by ullage than Bordeaux wines. A 5 cm ullage in a 40-year-old Burgundy can be considered acceptable, up to 3 cm excellent for its age. Even losses up to 6 cm for 50 years and older Burgundy are considered acceptable risks.

Burgunderflaschen fehlt die ausgeprägte Schulterform. Daher wird der Schwund im Zentimeterabstand zwischen dem Korken / der Kapsel und dem Weinniveau angegeben. Burgunder werden durch einen Schwund nicht im gleichen Maße beeinträchtigt wie Bordeaux-Weine. Bei einem 40 jährigen Burgunder ist ein Verlust von 5 cm akzeptabel, ein Verlust von bis 3 cm herausragend. Sogar ein Schwund von bis zu 6 cm ist bei einem Burgunder von 50 oder mehr Jahren ein kalkulierbares Risiko.

GERMANY (SCHLEGELFLASCHE)

The ullage of these bottles, and any other Schlegelflaschen (Alsace, many Italian white wines, Portugal, etc.), are measured in centimetres. The level of ullage for these wines in outstanding condition should not exceed 3 cm. Greater losses carry some risk and are respectively priced.

Auch der Schwund dieser und anderer Schlegelflaschen (Elsass, viele italienische Weissweine, Portugal, usw.) wird in cm gemessen. Bei Weinen in herausragendem Zustand sollte der Schwund nicht mehr als 3 cm betragen. Größere Verluste bergen ein gewisses Risiko; dies wird bei der Preisgestaltung berücksichtigt.

CHAMPAGNE

Due to the very long foil of Champagne bottles, the ullage is measured in centimetres of the upside down bottles, between the inner edge of the glass bottom and the Champagne level looses up to 2 cm for 20 year old Champagnes are considered acceptable risks.

Champagnerflaschen besitzen eine sehr lange Zierfolie am Flaschenhals. Daher wird die Flasche zur Messung des Schwundes auf den Kopf gestellt. Massgeblich ist der Zentimeterabstand zwischen der inneren Kante des Glasbodens und dem Champagner. 2 cm bei Champagner im Alter bis 20 Jahren sind unbedenklich.

RP99: Full-bodied, deep and layered, it's rich and concentrated, with a deep core of fruit, bright acids and fine, powdery tannins. Powerful and tightly wound, this is less sumptuous and demonstrative out of the gates than its sibling Haut-Brion, but I suspect it possesses even greater potential. -2070. F: IN; E: sehr gut. (Bordeaux, Frankreich)

WE100, FAL98, GAL100: Rich inky and towering in concentration, the 2019 possesses off the carts intensity and tons of structure to back it up. Succulent black cherry, plum, tobacco, gravel and licorice infuse the 2019 with striking depth. The 2019 is not quite as opulent as some recent vintages, and that's a good thing. Readers will find a regal wine that marries elegance with power. Unforgettable. Tasted two times. -2069. F: IN; E: sehr gut. (31672-15)

353 Engel, Rene 1983 0,75l Vosne Romanee 1er Cru Les Brulees (Burgund, Frankreich)

JM94, AM92, RP92(2017): Beguiling bouquet with scents of warm gravel, bay leaf and wilted rose petals all wonderfully defined. There is just a faint hint of white chocolate in the background. Stella di Campalto 2011 1,5l
Brunello di Montalcino Riserva
(Toskana, Italien)

RP94: The 2011 Brunello di Montalcino Riserva is a gorgeous expression with a slightly warm vein of plump cherry fruit that gives weight and volume to the overall effect. The bouquet offers dark fruit aromas with tones of blue flower, spice and balsam herb. This is a mid-weight effort with balanced fruitiness and freshness on the close. The wine finishes with elegance and silkiness. F: IN; E: minimal verschmutzt; Z: originale Wackskapseln. (31703-42)

La Storica 1951

754
Biondi Santi 1951 0,75l
Brunello di Montalcino Riserva
(Toskana, Italien)

www: vinidiToskana: An excellent vintage. The 1951 Riserva was probably produced with grapes from the vines of Tenuta Greppo and the vineyard Scarnacuoia. These vines would later lead to the selection of Sangiovese Grosso which brought Biondi-Santi to register its own clone named BBS11 (Brunello Biondi Santi 11). This clone was formally recognized in 1978. The 1951 Riserva was aged in Slavonian oak barrels for 4 years. It benefited from a long refinement in the bottle in the quiet and darkness of "La Storica", the bottle library at Tenuta Greppo where all the historic vintages of Biondi-Santi Riserva are scrupulously kept. This vintage was topped up and the cork was changed for the first time in 1927, then in 1970 and again in 1985. F: TS; E: minimalst beschädigt; Z: Zinnberrrot. Mittlere Menge grobblättriges Depot. 5 Flaschen Kollektion Bond:
1 Fl. Melbury: RP97: Out of bottle, the 2007 Melbury is even more impressive than it was from barrel. Aromas of cedarwood, barbecue spice, licorice, spring flowers, black currants and sweet kirsch jump from the glass of this dense purple-colored wine. A full-bodied texture, wonderful opulence, sweet velvety tannins and an extraordinary integration of all its component parts make for a prodigious Cabernet Sauvignon -2040.

1 Fl. Vecina: RP100: A perfect wine, the 2007 Vecina provides a prodigious display of blackberries, charcoal, black currants, burning embers and a La Mission-Haut-Brion-like hot rock/gravelly character. The most tannic as well as most concentrated and layered of the 2007s, this is a long-term, but utterly brilliant wine. In many ways it reminds me of the Harlan Estate itself given its prodigious build and potential for extended longevity. -2040.

1 Fl. Pluribus: RP98+: The 2007 Pluribus (the highest elevation vineyard of all these parcels) exhibits tell-tale Spring Mountain characteristics of acacia (or is it violets?) flowers interwoven with blueberry liqueur, black raspberries, cassis and crushed rocks. A wine of great intensity and full-bodied power yet with a freshness and delineation that are remarkable -2040.

1 Fl. St. Eden: RP99: Not surprisingly, the 2007 St. Eden flirts with perfection. Another Pauillac look-alike, it offers up glorious aromas of cedarwood, creme de cassis, spice box, high class unsmoked cigar tobacco, roasted herbs and a hint of mocha. The complex aromas

A magical combination of blueberry liqueur intermixed with crushed rock, spring flowers (violets?), earth, pen ink and burning ember leads to a full-bodied, majestically rich wine with a multilayered texture, silky tannins and a phenomenally long finish of over 50 seconds. -2040.

Pichler, F. X. 2019 0,75l
Riesling Smaragd Unendlich
(Wachau, Österreich)

FAL99, RP96+(2021): This is a full-bodied, rich, concentrated, densely textured and viscous Riesling that reveals enormous power and extract sweetness. The 2019 has an enormous, vital and filigreed finish with great mineral and phenolic grip. The long, long finish is not only due to the sheer power but the phenomenal terroir that combines gneiss, granite and amphibolite with a rather coolish microclimate. -2050. F: HF; E: sehr gut. Dense and massive on the palate, this is a concentrated, rich and tannic Riesling that is completely closed and should be cellared for at least another 5 years. -2040. F: HF; E: gut. (31703-18)

Riedel Dekanter Black Tie
(Österreich)

Der Black Tie Dekanter wird von RIEDELs Glasbläsermeistern frei geblasen und ohne Hilfe einer Form geformt, so dass jede Schlaufe einzigartig ist. Ein schwarzer Streifen entsteht,

indem ein Stab aus schwarzem Kristall in das geschmolzene Glas eingeführt wird, bevor es geformt wird. Durch die größere Öffnung wird Wein ein- und ausgegossen, während die kleinere Öffnung lediglich als Designmerkmal dient. Wie der Rest der Black Tie-Kollektion ist auch diese Karaffe mit einem schwarzen Smokingstreifen verziert, der sich elegant von oben nach unten durchzieht. Dieser Dekanter ist für eine Standardweinflasche ausgelegt. (31885-25)

1114 Marchesi di Gresy 2008 0,75l Barbaresco Gaiun Martinenga (Piemont, Italien)

FAL94, RP93: The estate's 2008 Barbaresco Gaiun boasts a serious core of fruit. Juicy dark cherries, spices and leather blossom beautifully in this relatively large-scaled wine for Marchesi di Gresy. The immediate, fruit-forward style of Gaiun is tempered by the super-classic, cold vintage. Elements of roundness on the long, textured finish are inviting. F: IN; E: sehr gut; Z: OHK ohne Deckel. Lagarrosse 2008 0,75l
St. Emilion 1er Grand Cru Classe B

GAL95: The palate is very well balanced with a firm but not imposing structure. The acidity is beautifully judged and it counterbalances the impressive fruit concentration. -2045. F: IN; E: sehr gut. (31642-8)

**Ch. Batailley 2017 0,75l
Pauillac 5eme Cru Classe
(Bordeaux, Frankreich)**

WS92, JL92, RP92+: The 2017 Batailley gallops out of the gates with notes of baked redcurrants, black raspberries and blackcurrant pastilles plus wafts of cedar chest, bay leaves and rosehip tea. Medium-bodied, the palate delivers mouth-coating black fruits with a firm, grainy texture and lively lift to the finish. -2037. F: IN; E: gut. (31886-63)

**Aalholm Slots Kjaelder 1928 0,75l
St. Emilion
(Bordeaux, Frankreich)**

WT: Ein grandioses Weinjahr, aus dem sich immer noch reichlich trinkbare Weine finden lassen, gute Lagerung wie immer vorausgesetzt. In Bordeaux gab es eine große Ernte kräftiger, alkoholreicher, tanniniger Weine mit hoher Lebenserwartung. Besonders letzteres führte natürlich zu viel Frust bei den damaligen Ersterwerbern. Wohl dem, der einen

solchermaßen frustrierten Großvater mit einem gut sortierten Keller hat. F: TS; E: verschm., leicht beschädigt; Z: Negociant Abfüllung Kjaer & Sommerfeldt, Kopenhagen, Dänemark, mit passenden Kapsel und Etikett. Dänische Steuerbanderole. Schönes Granatrot. Wenig, grobes Depot. Paulson Sticker hinten auf der Flasche. (31942-14)

**Pegau 2018 0,75l
Chateauf du Pape Cuvee Res.
(Rhone, Frankreich)**

GAL95, RP94: Violets and garrigue appear on the nose, joined by cherries and raspberries. In the mouth, it's medium to full-bodied, silky and tannic, but the tannins are ripe and not overly prominent. It may need another year or two to soften but should then drink well for a decade or more. -2035. F: 0,6cm; E: gut. (31698-3)
